Construis un triangle quelconque ABC .

Construis la droite perpendiculaire à AB et passant par le sommet C .

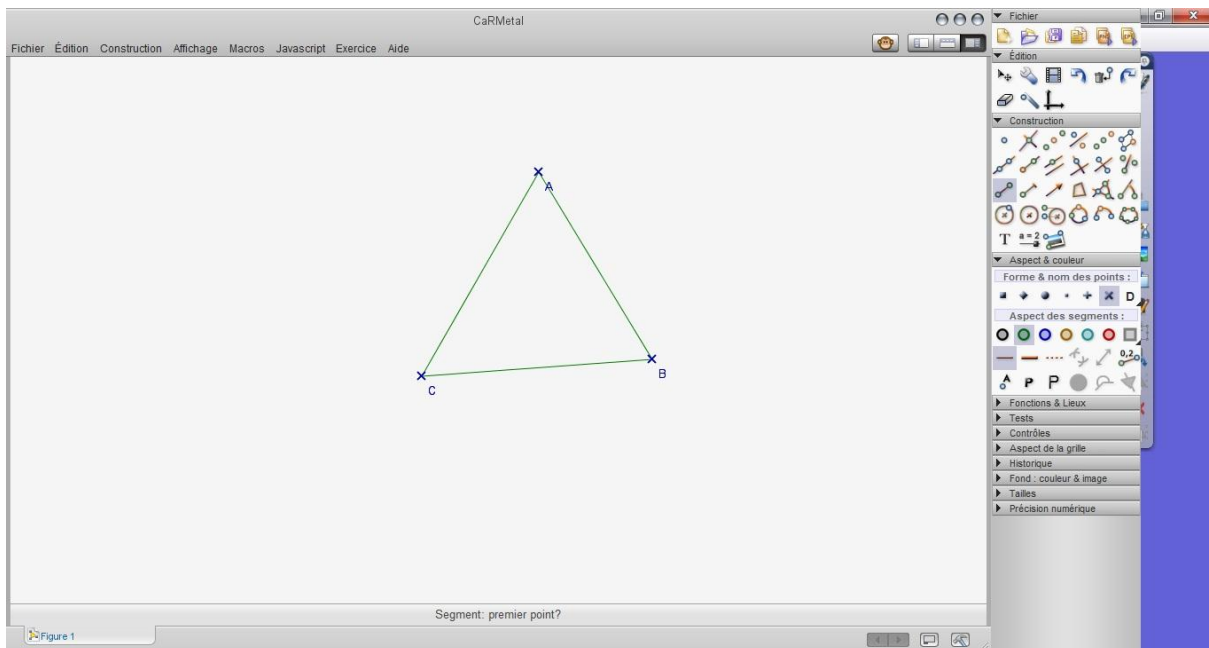

Construis la droite perpendiculaire à BC et passant par le point A .

Construis la droite perpendiculaire à AC et passant par le point B .

Qu'observes-tu concernant les 3 droites tracées?

The screenshot shows a digital workspace with a white brick wall background. In the center, there are four triangles: a yellow one on the left, a green one in the middle, a red one on the right, and a smaller red one above the green one. The text instructions are written in a cursive font. A toolbar with various icons is visible on the right side of the workspace.

Figure 1

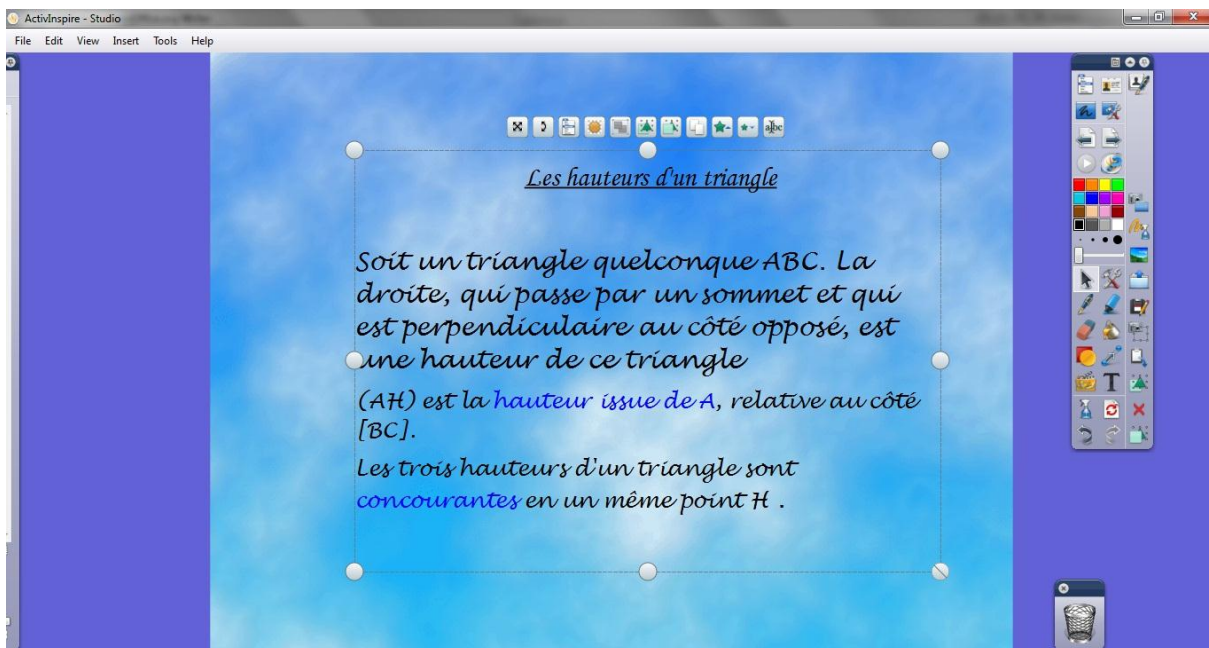

Segment: premier point?

The screenshot shows the CaRMetal software interface. The main workspace contains a green triangle with vertices labeled A, B, and C. The vertex A is at the top, B is at the bottom right, and C is at the bottom left. A toolbar with various construction tools is visible on the right side of the workspace. The status bar at the bottom indicates 'Segment: premier point?'.
